**Above:** This majestic Oregon White Oak (*Quercus garryana*) is an important part of our vineyard and native plant nursery ecosystem. Used as a Witness Tree by early surveyors, we protected it by shortening several rows as we began planting our Mahonia Vineyard in the 80's. We have an extensive inventory of oaks grown from acorns and larger specimens, (2"- 14" caliper, 6'-35' tall) rescued from sites being cleared or thinned. As a founding member of the Willamette Valley Oak Accord, we offer discounts to Oak Accord members on our native oaks.
